

Yellindia.com

A unique venture from the house of Infosams Technology and Media Limited

Infosams Technology and Media Limited proudly announce its unique venture Yellindia.com., a leading advertising publication of the country. Yellindia.com will attract potential customers and increase traffic at your workplace.

We have taken businesses to the very doorstep of end-users across the country. Family businesses, multi-national corporations, Educational Institutions, Hotels, Resorts, theme parks and even real estate companies advertise with us. The reach and effectiveness of our website is due to the unique features like 360 degree Virtual Reality Tours photographs which is the first of its kind in India as well as in overseas countries.

We also provide still photographs, video presentation of various durations as well as logo display with profile presentation. We provide presence, enquiries and leads to its advertisers while ensuring end users (consumers) have access to the best information, benefits and offers.

Yellindia.com, is one of India's digital supermarket for SMEs. Yellindia.com seamlessly deliver excellent value across all media platforms be it Mobile Applications, Online and note pads.

Reasons to advertise in Yellindia.com
